HOW SHALL WE ESCAPE?

HEBREWS 2:1–4

GOD HAS SPOKEN

Jesus is God's final Word. His revelation is greater than the prophets and angels.

So we must listen and obey.

DON'T DRIFT

Pay close attention to what we have heard.

Like a boat drifting downstream, we can slowly be carried away.

Stay firmly rooted in God's Word.

A GREATER WARNING

The message through angels was reliable—and disobedience was judged.

How much more serious to neglect the salvation announced by Christ!

His message was confirmed by eyewitnesses and authenticated by God.

TRUST THE SON

Receive God's great salvation. His patience gives us opportunity to come to Him.

REMAIN FAITHFUL

Don't throw in the towel. Don't give up in the storm. Continue to trust Him.

"HOW SHALL WE ESCAPE IF WE NEGLECT SUCH A GREAT SALVATION?"
