TOO LATE TO TURN BACK!

Hebrews 6:1–8

MOVE ON TO MATURITY!

DON'T STAY ON BABY FOOD

- We become hard of hearing.
- We keep needing basic truth taught all over again.
- We prefer milk instead of solid food.
- We must leave the foundation and move toward maturity.
- Solid food is hard truth that leads to maturity.

THE WARNING: DON'T TURN BACK

- They have experienced the reality of God's goodness.
- They are tempted to throw in the towel and return.
- Turning back publicly identifies with those who rejected Jesus.

TRUST GOD
AND KEEP MOVING FORWARD!

WHEN THE STORM RAGES

- God uses hard times to bring His people to maturity.
- Suffering can produce godly character.
- The easy way out will NEVER lead to maturity.

DON'T TURN BACK! TRUST GOD!

“Let’s go on to perfection!”

“I will never leave you nor forsake you.”
