A PROMISE YOU CAN COUNT ON

Hebrews 6:9–20

When God's timing is hard to understand, TRUST HIM — AND WAIT.

1. OUR STRUGGLE

- We doubt when God says YES, NO, or WAIT.
- Our problem: we expect God's plan to match ours.
- Hebrews calls us to keep moving forward, not turn back.

2. CONFIDENCE FROM THE PAST

- God has not forgotten their work and love.
- Their faithful service gives evidence of genuine faith.
- Keep doing good; persevere to the end.

3. ABRAHAM'S EXAMPLE

- God promised Abraham a son — then made him wait.
- Abraham trusted God even when the evidence was delayed.
- God kept His promise.
- Faith + patience inherit the promises.

4. GOD'S GUARANTEE

- God swore by Himself — there is no one greater.
- His purpose is unchangeable.
- His oath is unchangeable.
- It is impossible for God to lie.

OUR HOPE IS A SURE & STEADFAST ANCHOR

Jesus is our High Priest in God's presence — our guarantee.

He is there forever. Therefore, our anchor is secure.

"All we have to do is trust Him — & wait!"

GOD'S PART

- God does not forget our work and love.
- God keeps His promise.
- God blesses those who trust Him.

OUR PART

- Keep up faithful service.
- Be diligent to the end.
- Don't take the easy way out.
- Imitate those who remained faithful.
- Flee to refuge; hang on to hope; trust the anchor.

REMEMBER THESE 3 THINGS

1) God's purpose is unchangeable. 2) His oath guarantees it. 3) TRUST GOD & WAIT.

That's an anchor you can trust to hold you in any storm.
